We've turned away but you would never leave us alone
Good Father who has called us his own
While we were lost in sin and in shame
Word of life, from heaven you came

'Til now the Lord has helped us
So we will sing

Chorus 1

Here I raise my Ebenezer
Hither by thy help I'm come
May it remind me of every victory
And that you've brought me safe thus far
All my hope, all my hope is in your promises
All my joy, all my joy is in you Jesus

Forbid it Lord that we should boast of what we have done
For nothing new is under the sun
But that you are the Light and the truth
And you are making everything new
So in this place we rise up to give you praise

Let every life that has been redeemed
Let every voice that has breath to sing
Lift up the name of the saving King
Who set us free

May it remind me of every victory
And that you've brought me safe thus far
