

We Repent [Lyrics]

[Cameron Gwaltney]

Intro

G 2X

Verse 1

Children of the Father
Gather round the altar now
Together with our brothers
Our heads and hearts they bow
O God we're desperate for Your grace

We repent as Your church
Lord we tear our idols down
Holy Spirit shake this ground
Change our hearts
We repent as Your own
We are saved by grace alone
From that grace our worship flows
From our hearts to You

O bride come together
We were stained but we've been made clean
O family come together
Through Christ we're children of the King
O God we're grateful for Your grace
