

Worthy [Lyrics]

[Forrest Brown]

Intro

Verse 1

Jesus I come running
When I'm longing for Your grace
Though I don't deserve it
You delight to pour it out

When I'm lost I will run to you
Let this one thing always be true

Chorus 1

In the morning
I'll give You all my praise
In the suffering
Still my soul can say
God You are worthy
Worthy of all my praise

Verse 2

In the valley of the shadow
Where there's sorrow and dark skies
You're here Lord You are with me
You will shine with Your glorious light

Chorus 2

Bridge 2X

You are worthy
You are worthy
You are worthy
Worthy of all my praise

Alt-Bridge 2X

It is well
It is well
It is well
It is well with my soul
